RE: Renegade Cleaner

Dear Ms. Wilcox,

I have reviewed the data and MSDS that you provided. Based on that information it appears that your Renegade Cleaner product may be acceptable for discharge into our sewer system. However, the actual discharge from any user of your product would be subject to testing and acceptance on a case-by-case basis and would be subject to the City of Gillette's local limits.

If you have any questions or need additional information please contact me at (3207) 686-5323 or email tara@ci.gillette.wy.us

Sincerely,

Tara Schultz
Environmental Services Superintendent
